THE SIMPLE PAST AND PAST PARTICIPLE OF REGULAR VERBS

- a. The general rule is that we add “**ed**” or “**d**” to base form of the verb.

Ex: To accept → accepted → accepted

To educate → educated → educated

- b. The verbs that end in “consonant-vowel-consonant” have the last consonant doubled but “**x, y, c, w**” are not doubled.

Ex: To beg → begged → begged but enjoy → enjoyed → enjoyed, relax → relaxed → relaxed, glow → glowed → glowed

To scan → scanned → scanned

- c. If the verbs end in ‘-y’ preceded by a consonant, the ‘-y’ is changed to ‘-i-’ before adding -ed.

Ex: To dry → dried → dried

To satisfy → satisfied → satisfied but ski → skied → skied
